Describe the reason for the need of Splice Repair Kits :

Has End User  
Been Made Aware  
of the UL and  
Warranty Issue?

Yes    No  
(Circle One)

The use of Splice Kits voids all UL listings and will compromise the product warranty. At Infloor's discretion, Waivers may need to be obtained before Splice Kits are shipped. Splice Kits are shipped on an "As Needed" basis and not for stocking purposes
